Kylie –

Howard Jensen asked me to send you the attached materials, which are:

- the Administrative Settlement Agreement and Order on Consent for Remedial Investigation Feasibility Study between Cascade Natural Gas Corporation and the Environmental Protection Agency dated May 1, 2013 for the Bremerton Gas Works Site (Site);
- records we previously obtained from the City of Bremerton regarding the sanitary and storm sewer lines at and around the Site. Cascade's environmental consultant is preparing a figure that will show these sewer lines relative to Site features. We hope to have that figure to you tomorrow;
- the Deed and Perpetual Easement entered into between The Western Gas Company of Washington and the City of Bremerton dated May 16, 1941.

Please let me know if you have any questions.

Best Regards,

Alison
